

**PROCEDURE FOR
ABANDONMENT OF A PUBLIC
RIGHT-OF-WAY/EASEMENT**

A. An application for the abandonment of a public right-of-way/easement by the City of Grapevine must be made pursuant to the procedure described below in order to get a request before the City Council. The application should insure that all stipulations and instructions outlined herein have been complied with prior to submission of the final application for action by the City Council of the City of Grapevine.

1. Application required

Attached to this information sheet is an application form for the abandonment of a public right-of-way/easement.

2. Submission deadline

The application fee for abandonments is \$390.00. The application must be completed and the fee must be paid to the Public Works Department. The Public Works Department will circulate the application among various City departments for review and approval. After all City departments have executed the application, the Public Works Department will place the application on the next Council agenda. The City Council holds regular sessions on the first and third Tuesdays of the month at 7:30 p.m. An applicant may attend the meeting, if desired. After Council consideration of the request, the applicant will be notified of the action taken by the Council relative to the abandonment request.

3. First page of application

a. On the first page of the application, the heading information to be filled in includes the name of the addition or subdivision in which the public right-of-way/easement is located. The exception to this case would be the abandonment of a street, in which case the street name would appear in the heading. The date the application is prepared should be entered in the appropriate space.

b. Item No. 6 provides space for a brief statement of the reason for such right-of-way/easement sought to be abandoned. It is very important that the full name and address of the applicant be shown in the space provided. This will insure proper notification to the applicant following action by the Council. The applicant's signature must appear immediately above the typed name and the notary certification must be completed.

4. Exhibit No. 1

Please note that the abandonment of right-of-way/easement may convey, by law, part of the property to the abutting property owner on the other side. You must provide, attached to the application, one sealed metes and bounds description of

the area sought to be abandoned. It is required that you have a licensed land surveyor provide this information for you.

5. Exhibit No. 2

You must provide, attached to the application, one copy of a plat or detailed sketch of the right-of-way/easement sought to be abandoned. Again this item is most easily furnished by a licensed land surveyor. It must clearly show the surrounding areas to the nearest streets in all directions, abutting lots and the block or blocks in which the area sought to be abandoned is located.

6. Exhibit No. 3

Exhibit No. 3 must be executed by the various utility companies shown. As the applicant, you are responsible for circulating the application and securing the signatures of the authorized representatives.

7. Exhibit No. 4

Exhibit No. 4 must be executed by the various City of Grapevine staff. The Public Works Department will be responsible for circulating the application amongst the City departments.

- B. In the preparation of your application should you encounter any problems or have questions, the answers to which you are unable to find in the information sheet, please do not hesitate to contact the Public Works Department for assistance.
